

K-LOVE is a very important part of my life and my family's life. It brings hope and cheer for the day. Please DO NOT let this station be displaced by an LPFM broadcaster! More and more people are looking for something different in their lives. K-LOVE brings that hope and reassurance to them that they might have lost for some reason or other. Contemporary Christian Music has become very popular in the last several years. Children, teenagers, and adults are all listening now. It is a "Cool Thing" to do. Please help to save them. Thank you for your help. Suzan Sands
